Planning for Your Child's Future

29th April 2022

10.30am – 12.30pm

We would like to invite you to our regional transition information event. The event will inform you as parent/carers of young people with learning disabilities regarding local services. This will enable you to assist your young people with planning their transition from school to further education, training and if needed adult health and social services.

We will hear from Social Services, Health, Education, Cardiff and Vale College who will showcase stories of success from across the region.

The event will take place at:
The Future Inns
Hemingway Road
Cardiff Bay
Cardiff
CF10 4AU
